Jakarta, 30 June 2016 – Today, PT Medco Energi Internasional Tbk has announced its audited consolidated financial statements for the period ending 31 March 2016 (“1Q 2016”).

Hilmi Panigoro, President Director of MedcoEnergi stated that “Despite the continuing difficult price environment, our 1Q 2016 performance is on track to meet our 2016 operational and financial targets. Production in 1Q 2016 has been strong and our cost efficiency efforts are becoming evident in our results.”

Operational Highlights in 1Q 2016

- Production volume was 29.3% higher than in 1Q 2015 at 64.5 mboepd.
- The increase in production volume was mainly attributed to the additional contribution of Senoro-Toili Gas field which started operation in June 2015 and in 1Q 2016 produced a total of 102.5 mmscfd of gas. Oil production decline in mature fields continues to be successfully mitigated through focused production optimization.
- MedcoEnergi announced several milestones in the development of its Major Projects:
 - In Lematang PSC, South Sumatra the Company was awarded a 10 year extension and increased its working interest to 100% with the completion of the Lundin acquisition.
 - In Block A PSC, Aceh the Company awarded the Engineering Procurement and Construction (EPC) contract for the Phase 1 gas project development to a consortium of PT JGC Indonesia and PT Encona Inti Industri (JEC).
 - The Company entered into an agreement to acquire Japex Block A Ltd's 16.67% interest in the Block A PSC. Upon completion MedcoEnergi will hold a 58.33% operating interest in the block.
