8.	Announcement of abridged AGMS minutes on the IDX's website, the KSEI's website and the Company's website	5 June 2023

Estimation of Costs of Share Buyback and the Amount of Shares Buyback

The cost to perform Shares Buyback will be from internal cash of the Company. The Company has allocated funds for the Shares Buyback which will be from unattributable funds that will not impact the Company's operations. The amount of fund allocated for the Shares Buyback as aforementioned shall be up to Rp 120,000,000.000 (one hundred twenty billion Rupiah) or equivalent to USD 8,000,000 (eight million United States Dollars), with the assumption that 1 USD equivalent to Rp 15,000. Such funds include transaction costs, brokerage fee and other costs in relation to the Shares Buyback, which is expected to be in the amount of Rp 200,000,000 (two hundred million Rupiah).

The estimate number of shares to be bought back by the Company is 100,000,000 (one hundred million) shares or 0.398% of the total issued and paid-up capital, therefore it will not exceed 10% shares included in the current treasury shares of the Company.

Background and Underlying Reason

In performing its business, the Company tries to continuously improve shareholders value, amongst others by improving the Company's ROE. In addition to development and expansion of business, Shares Buyback can be considered as one of the measures which can be taken to increase the Company's ROE. The Shares Buyback implementation will give greater flexibility for the Company in managing its capital and maximizing returns to the shareholders. With due consideration of the development and expansion of the Company's business, Shares Buyback will also facilitate extra cash and fund on hand for the shareholders with an effective and efficient way.

In accordance with the prevailing laws and regulation, the Company may use the treasury shares from Share Buyback for the Company's employees and management share ownership program. The Company will fulfill the prevailing requirement in relation to the transfer of treasury shares from Share Buyback. As to the details of the transfer of shares deriving from Share Buyback for the shares ownership program for the employees and management of the Company can be read in Section III of this Disclosure of Information. The plan to transfer of shares resulting from the Shares Buyback for the

implementation of shares ownership program for the employees and/or the Board of Directors and the Board of Commissioners of the Company and/or its Subsidiaries is intended for the Shares Buyback, which approval will be sought at the AGMS on 31 May 2023. Therefore, it is not related with the agenda of shares buyback of the Company which has been approved at the EGMS on 26 August 2021. The Company's shares buyback program based on AGMS dated 26 August 2021 has been entirely completed.

Estimation of Decrease of Company's Income

The Company estimates that there will be no impact on the decrease of income in relation to the implementation of Shares Buyback, due to the Shares Buyback will be conducted in the future and the Buyback Price will be based on the transaction price occurred previously as regulated under POJK No.30, therefore the estimate proceeds cannot be determined at the moment. Based on such explanation, we conclude that there are no changes on the Earnings Per Share that recognized by the Company in Consolidated Financial Statements as of 31 December 2022.

Limitation on Shares Buyback Price

The Share Buyback will be conducted on a price lower than or equal to the transaction price occurred previously as regulated under POJK No. 30.

Limitation of Period of Shares Buyback

Shares Buyback will be conducted within at no later than 18 months after the date of AGMS which approves the Shares Buyback, which period is from 31 May 2023 until 30 November 2024.

The Company may cease the Shares Buyback at any time prior to the end of the period of 18 months if (i) the number of shares bought back by the Company has reached 0.398% of the Company's shares, (ii) the funds disbursed by the Company has reached Rp 120,000,000.000 (one hundred twenty billion Rupiah) or equivalent to USD 8,000,000 (eight million United States Dollars), with the assumption that 1 USD equivalent to Rp 15,000, or (iii) deemed necessary by the management of the Company. In such event, the Company shall announce to the public on the ceasing of the Share Buyback.

Methods of Share Buyback

The Company will perform Share Buyback under the following provisions:

- i. The Company will appoint PT BRI Danareksa Sekuritas, as the appointed securities company to perform the Share Buyback through trading in the Indonesia Stock Exchange during the Share Buyback period;
- ii. Such buyback will be done at a lower price or equal to the previous transaction price;
- iii. Shares Buyback will only be done if it is beneficial to the Company and its shareholders/ the Company will not perform Shares Buyback if there is a material adverse effect which will affect the liquidity and capital structure of the Company and/or the Company's status as a publicly listed company;
- iv. Parties who are:
 - a. Commissioners, Directors, employees and substantial shareholders of the Company;
 - b. Individuals who due to their position or profession or business relation with the Company allows such individual to obtain inside information; or

- c. Parties who are in the past 6 months no longer fall under the criteria mentioned in point (a) and (b),
Shall not perform any transaction on the Company's shares on the same day with the Shares Buyback or transfer of treasury shares resulting from Shares Buyback conducted by the Company through IDX.

Management Analysis and Discussion In Relation To Share Buyback

By using the assumption that the number of shares to be bought back is in the amount of Shares Buyback is up to 100,000,000 (one hundred million) shares with exercise price in accordance with the prevailing regulations.

Shares Buyback will not affect the business and operations of the Company because the Company has sufficiently good working capital to perform its business activities.

III. INFORMATION ON TRANSFER OF SHARES RESULTING FROM THE COMPANY'S SHARES BUYBACK

Purpose of Transfer of Shares

The Company intends to use the shares from the Shares Buyback to be distributed to employees and management of the Company and/or its Subsidiaries through shares ownership entitlement program namely the Employee Share Award Plan ("ESAP") and the Management Share Award Plan ("MSAP").

Details of the requirements for the Directors and Board of Commissioners of the Company who are entitled to receive shares are determined by the performance of the Company and each individual member of the Board of Directors and Board of Commissioners.

While the details of the requirements for the Board of Directors and the Board of Commissioners of subsidiaries or representative Directors in the Company's affiliated companies will depend on the Subsidiaries and the Company's affiliated companies' good performance and contribution to the overall operational and financial performance of the Company.

Exercise Period Plan

Pursuant to Article 15 of POJK No. 30, if there are still shares resulting from the Shares Buyback that are owned by the Company for a period of 3 years from the completion of the Shares Buyback, the Company shall be obliged to commence transferring the shares from the Buyback within a period of no later than 2 years.

Considering that ESAP and MSAP are ongoing programs that have been implemented since 2017 and are part of the incentives given to parties who meet the criteria as ESAP and MSAP participants as mentioned above, the transfer of shares resulting from the Shares Buyback will be made no later than 1 year after the entire Shares Buyback has been carried out.

Exercise Price or Share Exercise Price Calculation Method

There is no exercise price in the transfer of shares of Buyback considering there is no payment expended by the ESAP and MSAP program participants.

Total or Amount of Payment by Employees, Board of Directors, Commissioners of the Company

Receiving Shares

Considering ESAP and MSAP are part of the incentives given by the Company as a result of awards or incentive to the participants of ESAP and MSAP program, no payments must be made by the ESAP and MSAP participants who received the shares.

Proforma of Capital Structure Before and After Exercise

The transfer of shares from the Shares Buyback for the Company's employees and management shares ownership program, the Company will use the treasury shares that have been already owned by the Company, so that there are no changes to the capital structure before and after the exercise of the transfer of shares, considering there is no dilution effect on the Company's share ownership.

Lock-Up Provisions

There is no lock-up provision for shares acquired by the ESAP and MSAP program participants in this ESAP and MSAP program.

IV. STATEMENT OF THE BOARD OF DIRECTORS AND THE BOARD OF COMMISSIONERS

- The information described in this Disclosure of Information have been approved by the Board of Commissioners and Board of Directors, who are responsible for the validity of the information. The Board of Commissioners and Board of Directors declare that all material information and opinions expressed in this Information Disclosure is true and can be accounted for and there is no other information that has not been disclosed that can cause the information to be incorrect or misleading.
- The Board of Commissioners and Directors of the Company have reviewed the Shares Buyback, including assessing the risks and benefits of the plan for the Company and all shareholders, and accordingly believe that Shares Buyback is the best option for the Company and all shareholders.
