II. INFORMATION REGARDING THE PLAN TO INCREASE CAPITAL WITHOUT PRE-EMPTIVE RIGHTS

Purpose and Objective of the PMTHMETD

In respect of the business of the Company, the management of the Company views that the Company needs to strengthen its capital structure. In light of this, the Company intends to issue the New Shares through the implementation of PMTHMETD based on the Shareholders’ approval in the EGMS. Through the PMTHMETD, the Company is expected to obtain an alternative source of funding for the benefit of the Company.

The New Shares and the Price of the New Shares

In accordance with POJK No. 38, PMTHMETD shall only be carried out by the Company upon the obtaining approval from the shareholders via the general meeting of shareholders or the EGMS. The EGMS of the Company will be held with due observance of certain procedures as regulated under POJK No. 32. The PMTHMETD shall be completed within 2 (two) years as of the date of EGMS approving the PMTHMETD. Further, the Company may only increase a maximum of 10% of the total paid-up capital of the Company which is stated in the amendment of the articles of association which has been notified and received by the MOLHR at the announcement of the EGMS regarding PMTHMETD.

The price of the New Shares issued in the PMTHMETD will be determined in accordance with Regulation No. I-A. The price of the Company’s New Shares is at least the same as the average closing price of the Company’s shares in 25 (twenty-five) consecutive Trading Dates in the regular market before the date hereof. Accordingly, with reference to the average closing price for traded shares from March 2nd, 2018 to April 6th, 2018, then the implementation price of the transaction is to be at least Rp 1,305.4 (one thousand three hundred five Rupiah and four cents).

Furthermore, in line with POJK No. 38, the implementation of the issuance of the New Shares through the PMTHMETD shall be completed within 2 (two) years as of the date of EGMS approving the PMTHMETD.

The Company's benefit of having New Shares Issuance through PMTHMETD

In accordance with the background of the PMTHMETD, the management of the Company views that the PMTHMETD will generate the following benefits to the Company:

1. The Company will obtain additional funds to strengthen the capital structure, which at the end will support the business of the Company; and
2. The Company's equity will increase parallel with the additional paid-up capital by the potential investor who gives the best offer. The cash position of the Company will be used to fund the Company's business activities.

Requirements for the New Shares Issuance through PMTHMETD

The key requirements for the PMTHMETD are the following:

1. The Company has to obtain the approval of the EGMS, which will be held with reference to POJK No. 38;
2. The Company has to obtain the additional share listing approval from IDX;
3. At the latest, 5 (five) business days before the PMTHMETD, the Company is obliged to notify the OJK and announce to the public through 1 (one) daily, nationally circulated Indonesian language newspaper or on the IDX website and the Company's website, regarding the transaction of the PMTHMETD. Proof of such announcement must be delivered to the OJK at the latest 2 (two) business days after the announcement takes place;
4. At the latest, 2 (two) business days after the PMTHMETD, the Company is required to notify the OJK and the public through 1 (one) daily, nationally circulated Indonesian language newspaper or on the IDX website and the Company's website, regarding the execution of the capital increase that will include information on, among other things, the parties making the subscription, the amount and price of issued shares, and the plan for the use of the proceeds;
5. Based on the provision of point V.1.4 of Regulation No. I-A, a lock-up period will be imposed on the New Shares to be issued by the Company via PMHMETD, hence, the New Shares will not be able to be sold or traded within 1 year as of the listing date of the New Shares at the IDX.

Use of Proceeds of the PMTHMETD

The Company will apply proceeds of the new shares issuance through the PMTHMETD for general corporate purposes of the Company and Subsidiaries, including but not limited to minimizing liabilities, investments and/or working capital of the Company and/or Subsidiaries.

The Company may disburse the proceeds from PMTHMETD to Subsidiaries by way of equity injection and/or intercompany loans.

In the event that the proceeds from PMTHMETD is disbursed by the Company to Subsidiaries using the means of intercompany loans, and such proceeds have been repaid by the Subsidiaries, the Company will redistribute the proceeds to other Subsidiaries in need.

Management's Analysis and Discussion on the Company's Financial Condition before and after the Increase in Capital without Preemptive Rights

The new shares issuance through PMTHMETD will strengthen the Company's capital structure to fund the business development activities of the Company.

In addition, the increase of equity due to the increase of the paid-in capital will improve several financial ratios in relation to the equity, which will then minimize the financial risks from the creditors and investors point of view. The Company believes that the new shares issuance through PMTHMETD is a relatively good option to increase the Company's capital with minimum financial costs.

The new shares issuance through PMTHMETD with the assumption that the shares to be issued is in the amount of 1,772,892,346 (one billion seven hundred seventy two million eight hundred ninety two thousand three hundred forty six) shares with exercise price of Rp1,306 (one thousand three hundred and six Rupiah):

- a. Cash and cash equivalents will increase up to 34.38% from its previous position (Audited Consolidated Financial Statements as of December 31, 2017) which is in the amount of USD489,040,578 to become USD657,176,327, which increase occurs as a result of share subscription by the investor in relation to the PMTHMETD
- b. The equity of the Company will increase up to 11.99% from its previous position (Audited Consolidated Financial Statements as of December 31, 2017) recorded at USD1,402,672,048 to become up to USD1,570,807,797 as result of increase of paid-up capital from the new shares issuance through PMTHMETD in the amount of up to 1,772,892,346 (one billion seven hundred seventy two million eight hundred ninety two thousand three hundred forty six) shares with exercise price of Rp 1,306 (one thousand three hundred and six Rupiah) per share:
 - i. With nominal value of Rp25 (twenty five Rupiah) per share, therefore the increase of issued and paid-up capital will increase in the amount of Rp44,322,308,650 (forty four billion three hundred twenty two million three hundred eight thousand six hundred fifty Rupiah) or equivalent to USD3,218,525 (three million two hundred eighteen thousand five hundred twenty five United States Dollars);
 - ii.
